

CCANA H&I SUBCOMMITTEE SERVICE INVENTORY QUESTIONNAIRE

At the direction of its members, the H&I subcommittee is conducting a service inventory in order to find out what we're doing right and what we could improve. In order to carry out this inventory, we are seeking the participation of the groups in filling out the following questionnaire prior to the date of the service inventory, which will be held on April 11th, 2026 from 12PM-3PM at 4925 Oriole Dr. (where H&I has its monthly business meeting).

The questionnaire can be completed by your home group any one of the following ways:

- by filling out this paper questionnaire and giving it to the H&I chair at the March ASC
- by clicking the following Google Forms link (your group's responses will auto-save in the H&I Google Drive) <https://forms.gle/67ph3LyULh7o3Zoz9>

While your attendance at the service inventory is not required in order to submit a response, we highly encourage your group to send a representative. We're collecting these answers in advance so that we as a body have an idea of any patterns that would indicate a need for improvement, and to help guide discussion topics on the day of.

The H&I subcommittee thanks you in advance for your participation in helping us to continue to carry the message to the addict who still suffers!
